DEDICATION

When someone touches your life and makes it better, that person becomes very special to you. Those are the people you never forget. They make an impression to last a lifetime. Our class has known two very special people like this.

For the joys you've brought to us

For the times we spent together

For the laughter we've shared

For the love you've shown

For all the things we'll never forget

WE DEDICATE THE 1978 ALCEN TO

I'm sure that there was at least one time when each and everyone of us thought that it looked as though we'd never be seniors and finally be out on our own.

Now, looking back, it doesn't seem that long ago when we were first set on the seemingly huge school bus by our somewhat anxious (?) parents. Most of us were told beforehand what school was going to be like and how much fun we were going to have. There were games to play with, paint to paint with, and teachers to experiment with! What more could a kid ask for? Right away our class seemed to hit it right off—some more than others, like Susan Rossman and Jeff Ryan. Then there were those who never seemed to see eye to eye like Mike Giedlin and Gary Porter, who never once could resist letting a day go by without having a rather awkward wrestling match behind the bookcases, on the floor, and, most important of all, hidden from Mrs. Dickens. Then there were always the little episodes in the dark coat closets. At this time we girls didn't know that usually the boys take the initiative in a friendship. Laurie Snyder and Lois McKnight were the most unknowledgable in this area.

So kindergarten turned out to be a grand success. It looked as though school wouldn't be so bad after all.

We had our first taste of what school really was like when we entered the elementary grades. It was quite a rude awakening when we found that our afternoon naps were replaced with our new found friends Dick, Jane, Tip and Spot. I think it was in second grade when our class was first acknowledged . . . we went through four teachers that year!

It was in these early years when we were allowed to go up on the playground and have a game of kickball, swing, or play hard to get in the woods. That reminds me of all those times we first went swimming—those horrible swimsuits that didn't want to stay up . . . or stay on. If you were one of the unlucky ones who had last choice in the bathing suits you could be easily embarrassed, as Mike Hackett was one day when all he had left to wear was a pair of swimming trunks three colors too big for him. Mike really did quite well that day though; he only lost it once.

Of course how could any of us forget all of those skating parties, and especially the most important moonlight skate.

So our Elementary days passed busily by and we were soon ready for Jr. High. Now we didn't quite know what to expect in Jr. High

but found ourselves pleasantly surprised by the new privacy of having our own lockers with locks and best of all being able to have our classes in different rooms with new people. It was these years when we looked up to the upper classmen and dreamed of the great times when we would be there.

The time passed ever so quickly. Our ninth grade year was a busy one. We all had to arrange our schedules for the next four years. What a task (!) especially if one didn't know what he or she wanted to do after graduation. It was this year when we regularly had class meetings and picked class officers. I don't think we really understood that these class meetings were held to set up fund raising events, because as we entered our sophomore year we had a grand total of \$6.12 in our class treasury.

Our tenth grade year we were more adapted to High School life and decided time maybe was becoming a little short. One of our biggest projects that year was our Spaghetti Dinner, which could almost be declared a success thanks to some of the cooks who could have sworn that noodles were placed in cold water, cooked, rather than stored in water ahead of time. I have to admit the sauce was pretty good though, thanks to Craig Regala. Believe it or not since we figured we were so experienced with spaghetti dinners we decided to have another one in our Junior year. Well, things went a little smoother. The only problem was finding people to buy tickets who didn't know our previous reputation. It was also this year when we received our class rings which in a way resemble our class: there were so many different ways to have the rings made that after the choice was made the ring was a symbol of that person's character. All the rings are to a certain extent the same, but if you look closely enough you see that each one is different and all are beautiful.

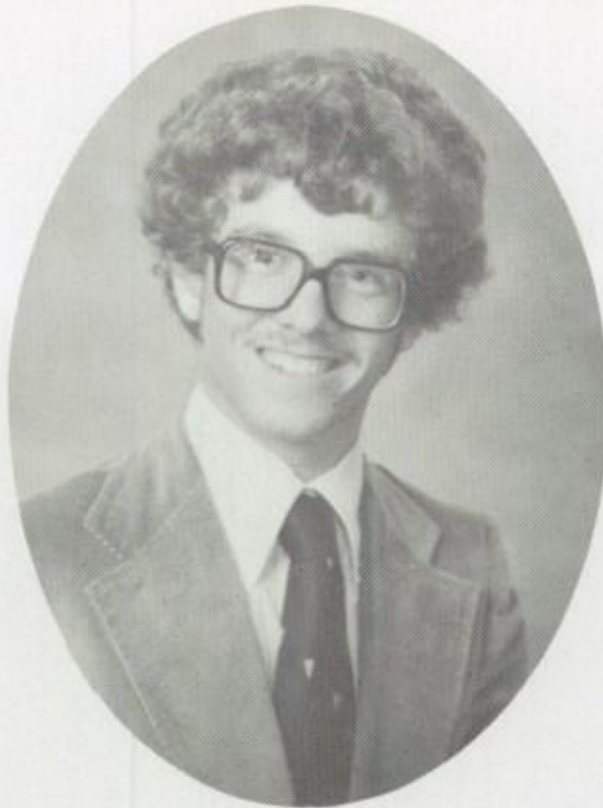

I would say our Senior year has been the most eventful year, though. The Class has grown much closer and we've had some very memorable times, like the 5-minute play-by-ear disaster period in our Senior Play, and the water fights after the Senior Smorgasboard. One I'm sure many of us won't forget is when Patty Shepard poured water on poor Mr. Haak. What patience he has had with us! The real test I'm sure will be our Senior Trip which we've all worked so hard for and looked forward to for so long.

In all, I can say that we'll always carry fond memories of our good old days at Alfred-Almond.

"Dream On"

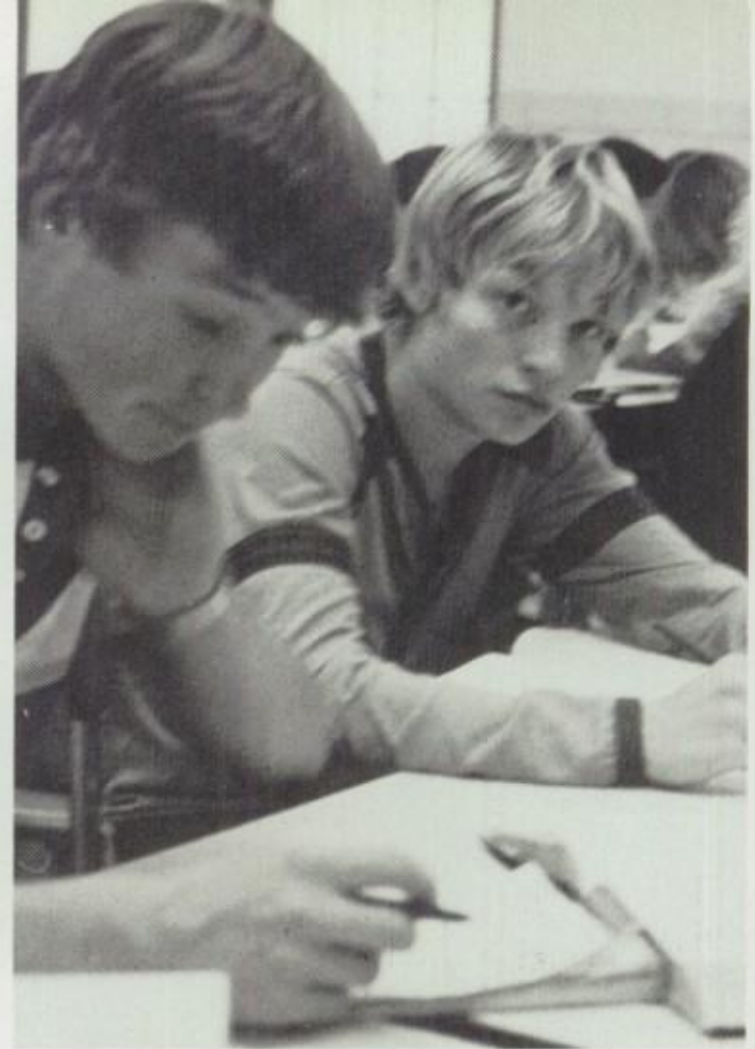

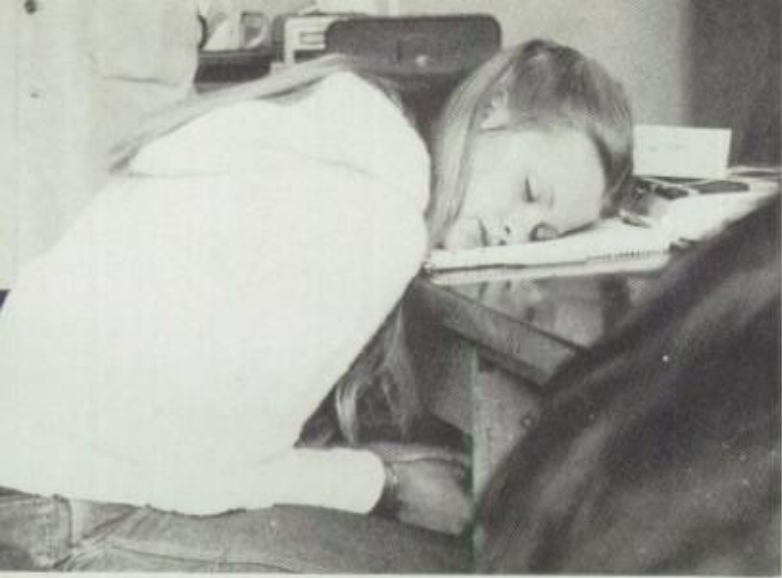

I am from Sweden, and even though things are different, I like everything here, and all the people I have met have been kind, helpful and considerate. I don't think it has always been easy not to get angry, irritated and tired with the "stupid" Swedish student who doesn't understand a thing.

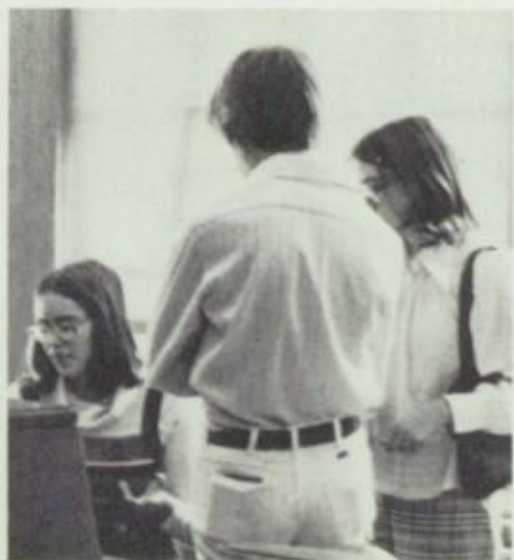

I came to America to learn something about how other people live, to study a little and have lots of fun. But maybe a greater reason for coming is that I want to learn something about my "roots", since my mother was born and lived in America before she moved to Sweden. Another reason is that it is nice to be near my American relations for a year. I think I made a good choice of country because I like it here and the people in it.

I want to thank everybody, and especially the Prisco family, for a rewarding and very fun year.

THANK YOU!

Activities

"A Farewell to Kings"

Row 1: J. Stuart, P. Stuart, J. Sackett, G. Lawrence. Row 2: B. Bergren, L. Pye, L. Richmond, L. McCamy.

Reading Club

Last year (1977-1978) the Reading Club began meeting in mid-year. About forty enthusiastic members discussed books they enjoyed, talked about helping elementary teachers by reading aloud or listening to stories, sponsored a Cake Walk for the Language Clubs' carnival, and organized and ran a very successful Book Fair. This year promises many exciting activities also.

Row 1: K. Dirlam, J. McCamy, J. Sackett, K. Taylor, J. Gignac, G. Taylor. Row 2: L. Feltham, A. Wenslow, L. McCamy, L. Link, T. Larsen.

Speech Club

Speech Club was formed last year to offer added opportunities for practice and development in public speaking. Members prepare and deliver speeches to be criticized by other members. Last year we competed in the Steuben County Language Arts Association's speaking contest on both the junior and senior high levels. We competed as well at the Speech and Theater Festival at Mansfield State College.

We're looking forward to these competitions again this year.

Row 1: B. Condrate, L. Feltham, C. Bernreuther, K. Taylor. Row 2: L. McCamy, B. Straight.

Senior High Writing Club was formed this year for students who are interested in writing plays, poems, and essays. Most of the students who meet have already taken junior high and senior high creative writing courses. They meet and read aloud the things they have written since the previous meeting. Sometimes they do writing exercises at the meetings, and they do writing assignments. Some of the participants will send writings into contests later in the year.

Jr. High Writing Club

Junior High Writing Club meets once a month and we do writing for fun. Later in the year if we have written some good poems, stories, and plays, we may put out a small writing magazine.

People who are involved on Student Government are very active in school and public affairs. One of the committees which is involved with the public is the Youth Against Cancer committee. Some of the school committees are the Food in SAC committee and the Grievance Committee.

Some of the goals that this year's Student Government are striving for include a vending machine for food in SAC, a skit day, and student involvement days. With a lot of cooperation we feel that we can accomplish most of these goals.

This year's big project is puppetry. This involves making puppets and putting on nutrition puppet shows for the elementary school. Other projects are Encounter Teams, Teenage Parenthood and Connection Teams. Fund-raising projects include selling cookbooks and dishcloths.

French Club

Les Connaisseurs is a local club for anyone who has studied two years of French or is presently enrolled in French. Our goal is to promote the study of languages and other cultures. We plan to have several parties, go to a French restaurant, meet with other area French clubs and attend Language Day at St. Bonaventure University. We will raise money to support our projects by selling French pastries, having a record hop and co-sponsoring our school carnival.

J.C.L.

The purpose of JCL, Sodalitas Latina, is two-fold. First, we try to keep Latin alive with contests and exhibits and second, to just get together to have a good time. This year, we plan to have several toga parties, a banquet and a celebration of Caesar's death.

We attended the New York State JCL Fall Festival and in the summer will attend the 3-day state convention at SUNY Binghamton and the week-long National Convention at Michigan State.

To raise money for these, we have several fund-raising events, including hot dog sales, pizza sales and the all-school carnival with the French Club.

A-V Club

The Audio-Visual Club is basically a service organization. The school TV system, making of slides, transparencies and laminations, the cleaning and repair of all equipment, all these and more are handled by club members.

Open to all students in grades 7 through 12, the club provides not only learning experiences, but a feeling of pride in a job well done.

The next time you see a movie, hear a cassette, watch a TV tape . . . your AV Club is at work.

F.F.A.

Our main fund-raising project is, once again, the citrus fruit sale. The sale has given us a very good reputation in the Alfred-Almond community. We plan another good seed selling campaign early this spring.

The FFA has two calf chains. One has a registered dairy calf; the other has a grade beef calf.

Several FFA members competed at various contests at the County Fair last summer. Some of the contests that had representatives from Alfred-Almond were: Livestock Judging, Tree Identification, Dairy Showmanship and Tractor Driving.

Our biggest concern this year is the school sign. Hopefully with the help of other clubs, the sign will be out in front of the school by June.

The high point of each year for the Drama Club is our spring dramatic production, which is scheduled this year for March 30, 1979. Students have opportunities to gain experience in planning publicity campaigns, applying theatrical make-up, designing and constructing sets, and costume design, as well as acting.

We attempt to bring at least one significant production to Alfred-Almond each year.

This year, for the first time, we have a Junior High Drama Club which should make possible more direct participation by junior high students.

"A Farewell to Kings"

Girls' Varsity Soccer

The girls' varsity soccer team, under the coaching of Mrs. McEvoy, ended its season with an 11-5 record.

They finished third in the county, and, in sectional play, lost a hard fought game to Troupsburg in the pre-quarter finals.

The Eagles scored a total of 73 goals throughout the season, while opponents scored only 40 goals against A-A.

High scorers for A-A were Lois McKnight, breaking a school record with 32 goals, and Cathy Lange with 21 goals.

Leading in assists for the team were Cathy Lange with 10, and Lois McKnight with 6.

The goalie and captain for the Eagles was Holly Wietgrefe.

Two seniors, Lois McKnight and Cathy Lange, made the girls' All-Star team.

Alfred-Almond will be losing nine strong seniors, but a good team is expected next year.

ROW 1: H. Wietgrefe. ROW 2: J. Sackett, D. Yelle, S. Stopfel, L. Burdick, P. Gabriel, T. Hurd, B. Mulligan, C. Bernreuther, P. Stuart, M. Taft. ROW 3: K. Patrick, L. McKnight, S. Rossman, D. Lawrence, D. Moritz. ROW 4: T. Cappadonia, L. Lange, S. Burdick, J. Riber. ROW 5: C. Lange

Girls' J.V. Soccer

Feltham, P. Bergren, C. Coughlin, S. Burdick, B. Kowalczyk, B. Bergren.

Alfred-Almond girls' J.V. soccer team finished with an impressive 5-0 record under their new coach, Mr. Succi.

The Eagles scored 23 goals on their opponents, while only 7 goals were scored against them.

High scorers for A-A were Colleen Coughlin with 4 goals, Julie Manske, Jo Anne Mulligan, and Stacey Burdick each with three.

Robin Raner was the J.V. goalie, and saved 47 of the 54 shots on goal.

Girls' Volleyball

A. Wiley, B. Snyder, P. George, B. Schwartz, L. Carpenter, P. Stuart, J. Sackett, S. Hackett, B. Bergren, M. McIntosh, C. Coughlin, P. Bergren.

The girls' Volleyball team had a very strong season this year, finishing up first in the South Division with a 10-2 record.

In county play, the team lost to Wyoming for the championship.

The Eagles advanced to the quarter finals in the sectionals and ended with a 12-6 record overall.

Eva Bergren was A-A's captain, and she and Sue Sackett were the team's high scorers.

Lorie Pye, Julia Riber, Patty Shepard, Cindy Patton, Brenda Burdick and Eva Bergren will be graduating this year and will be hard to replace, but many strong players are expected to return and we should have a good team next year.

Girls Basketball

Last year's A-A girls Basketball team ended its season with a 4-9 record.

Ellen Ann Coughlin was the team's high scorer and top rebounder. Ellen Ann was chosen for the All-Star team. Debbie Clark was second high scorer, and a strong defensive player.

Coach Falzoi said that the girls' strongest point was their defense.

The four seniors were Ellen Ann Coughlin, Debbie Clark, Connie Clark, and Cindy Comes. With many returning players and new recruits expected, the girls will have a fine season in '79.

Last year's softball team ended their season with a league record of 8-1, and an overall record of 10-2. For the first time, the A*A girls went to the Section V finals. They beat Savona 14-4 in the quarter finals and Campbell 19-8 in the semis. In the final game, A-A lost to their arch rival Belmont, with a score of 5-9. Belmont also caused the girls their only league loss of the season in a close game with a 15-16 score. Batting was helped by the top averages of Cathy Lange with a .562 and Shaune Burdick with .465. Starting pitcher Pam Chapman and starting catcher Karen Patrick were both chosen for the Section 5 All Stars for their second year in a row.

ROW 1: J. Riber, Z. Freeman, A. Webb, T. Hurd, B. Mulligan. ROW 2: M. Costello, L. Feltham, C. Burdick, A. Hurd, E.A. Coughlin, H. Wietgreffe, P. Gabriel, K. Hurd.

J.V. Softball '78

ROW 1: D. Wilkins, L. Lange, D. McMann. ROW 2: C. Shiloh, N. Stuart, S. Patrick, B. Sands. ROW 3: B. Kowalczyk, J. Aldrich, Y. Freeman.

The girls J.V. Softball team, coached by Mike Obuhanick, finished out their season with a record of 1-2. They lost to Hornell and Arkport, but beat Canister, 12-8. Judy Aldrich was their pitcher, and Nancy Stuart was their catcher.

Girls Track '78

With only twelve girls out for the 1978 squad you might say this team did a fantastic job in winding up the 1978 season with a 16-2 overall record. With so few participants, the girls were forced to do three or four events per meet in order to be competitive. The girls, after working hard all season under the direction of Mr. Moore, were crowned with their third straight county championship. Although they will be losing two excellent runners, the girls look talented enough to be crowned county champs for a fourth year.

Row 1: D. Kunselman, J. Baker, D. Cook, J. Hitchcock, M. Giedlin, G. Porter, J. Ryan, T. Ellis. Row 2: Coach Cuykendall, S. Robinson, F. Taft, C. Curran, S. Delvanthal, D. Mix, D. Washburn, R. Abbey, B. Brown, B. Davis, J. Canale, R. Ballard, J. Reitnauer, D. Gaisser, T. Scofield.

Boys' Varsity Soccer

Coaches around the area didn't think too much of Dick Cuykendall's Eagles, especially after losing 11 seniors the year before.

However, the Eagles proved they could beat anybody and everybody. After winning 10 straight, they finally lost to Belfast on a fluke fourth period goal. Alfred-Almond came back to win three more before losing to arch rival Fillmore 2-1 in overtime. This set up a play-off in which Alfred-Almond played their best game of the year beating the "green wave" 2-0 to win the Allegany County Class "B" title, for the first time in six years.

They then won three straight in Sectional play, beating:

Holley 2-1 (overtime), Arkport 2-0, and H.A.C. 2-0 to reach the finals for the second consecutive year. However, they met a tough Red Creek team and were beaten 3-0.

Most of Alfred-Almond's 66 goals came from high scorers John Baker, Gary Porter, and Dan Cook. John Hitchcock played excellently in the goal, allowing less than one goal per game.

Seniors who will be lost include: Mile Giedlin, Gary Porter, John Hitchcock, Fred Taft, John Baker, Dan Cook, Jeff Ryan, David Gaisser, Craig Regala, Tom Scofield and Joel Reitnauer.

GOOD LUCK NEXT YEAR, COACH!

Cross Country

The Cross Country team did an excellent job this year. Mr. Moore was very pleased with the way the kids ran.

The team did well in the county meet but was nipped by two very fine teams and had to settle for third.

Mr. Moore directed the last sectional meet ever to be held here and Dan McDonald ran very well, placing 27th out of some 200 runners. However, the whole team should be commended for a fine season.

With sophomore McDonald placing well in every meet and only three seniors missing next year (Greg Fairchild, Chris Boag and Carl Luger), the 1979 Cross Country team will be aiming for a County Title.

ROW 1: T. McDonald ROW 2: M. Timmer, J. Stuart ROW 3: D. Brooks, D. Schultz, C. Boag ROW 4: C. Luger, F. Cartledge, D. McDonald, G. Fairchild

Boy's J. V. Soccer

Coach Falzoi's J.V. Soccer Team did well this year considering that they lost about ten sophomores to Varsity, most of them starters last year.

After losing their first couple, they finally got on the winning track against Scio and ended the year with a 4-4 record.

Depending on who is sent up to Varsity next year, the J.V.'s should have a fine team with freshmen like Jeff DeSain, Lyle Cook, Mike Green and others.

ROW 1: B. Moritz, B. Cornell, D. Horton, L. Cook, D. Riber. ROW 2: K. Hannon, J. DiRocco, T. Grantier, B. Porter. ROW 3: J. Briggs, B. Lange, J. Royston, T. Jackson ROW 4: C. Trotta, M. Luger, R. Earl, T. Leamer, M. Sanders, S. Giles, M. Spencer. ROW 5: N. Rossington, D. Granger, B. King, M. Green, J. DeSain, M. Strong.

Boy's Varsity Baseball '78

ROW 1: J. Baker, J. DeSain, J. Stuart, D. Washburn, M. Green, M. Mix. ROW 2: D. Norton, M. Green, C. Curran, M. Giedlin, Coach Codispoti, P. Curran, M. Lawrence, G. Porter. ROW 3: J. Hitchcock, D. Cook, R. Moses, S. Reitnauer, S. Delvanthal, L. Cook, F. Taft.

The Varsity Baseball team enjoyed another fine season under the coaching of Mr. Codispoti, winning the Allegany Class "C" title for the second year in a row.

The team, with a 15-2 over-all record, was led in the pitching department by Mike Giedlin and Dan Cook. Mike Giedlin, pitching a perfect game in the opening game, finished the season with an 8-1 record and 88 strikeouts. Dan Cook had a 4-1 record and a 0.95 ERA.

The Alfred-Almond bats were really swinging last year with Chris Curran leading the team with an average of .499 and 15 RBI's. The '79 Eagles should be another powerful team. With only five seniors lost, and a nucleus of ballplayers returning, it looks as though A-A may capture another Class "C" crown.

Seniors who will be missed include Pat Curran, Mark Greene, Doug Norton and Mark Lawrence.

Boys' J. V. Baseball '78

ROW 1: D. Washburn, J. Canale, J. Stuart, M. Mix, B. Rusinko. ROW 2: T. Schaeberle, J. Hitchcock, L. Cook, S. Delvanthal, N. Rossington, M. Green, J. DeSain, C. Timmer.

The baby eagles, while only playing three games, looked very impressive in their play, with Mark Mix leading the team in hitting. Many of the players were sent up to Codispoti's Clan. Coach Doug Lorow must be commended for a fine coaching job.

Varsity Basketball

Left to right going up: J. Baker, J. Canale, J. Stuart, D. Cook, M. Timmer, R. Moses, R. Osborne, C. Timmer, F. Taft, C. Curran, M. Giedlin, S. Delventhal, B. Baker.

Coming off last year's winning season (10-9), the first in four years, the A-A Varsity Ball Club is looking for another fine year.

Injuries appear to be a major problem, as A-A's tallest man, Mike Giedlin, will be missing the whole season. Roger Moses also has had injuries here and there. Both of them are seniors.

However, A-A has many fine and experienced ball players, including high scoring John Baker, Fred Taft, and Dan Cook. The Eagles, standing at 4-4, are looking very enthusiastically for another winning season. They will also be trying to extend their home winning streak, now at eight games.

Coach McEvoy feels that, with the experience of his four seniors, John Baker, Roger Moses, Dan Cook, and Fred Taft, some talented juniors, and all the team's quickness, they will come of this season with Flying Colors!

J. V. Basketball

Left to right going up: C. Timmer, R. Osborne (managers), J. Desain, D. Granger, T. Leamer, B. Cornell, D. Washborn, G. Olin, M. Luger, L. Perry, B. Timmer, R. Earl, L. Cook, J. Mullen, D. Shultz, T. Jackson.

The Baby Eagles, under Mike Obuhanick's fine coaching, stand at 5-1, with their only defeat to a tough Avoca squad. They are looking for revenge on the Eagles' home court.

With Dan Washburn and Lyle Cook taking control and Brian King, along with many others, doing the dirty work underneath, this team has a very good chance of ending up with only the one loss.

Coach McEvoy ought to be very pleased with this team. It looks like A-A has a bright future in basketball ahead.

Row 1: E. Bergren, S. Moritz, K. Johnson. Row 2: R. Prisco, T. Finlay, D. Gaisser, A. Baserap, M. Hackett, J. Underhill, B. Moritz.

Tennis '78

Last year's tennis team did very well under the direction of Coach Connors and came very close to winning their second straight county title.

It went down to a play off match with arch-rival Fillmore before losing the crown. The team, however, ended up with a 11 wins, 5 losses record. Scott Moritz did very well his last year, but the No. 1 man for A-A just couldn't pull off a county title.

Seniors whose racquets will be missed for the '79 season are: Scott Moritz, Robert Prisco, Tim Finlay, and Kathy Johnson.

However, A-A has numerous players returning that will try to regain their County Class "C" crown.

Boys' Track '78

ROW 1: D. McDonald, M. Timmer, D. Riber.
ROW 2: L. Fraser, J. Carroll, R. McAndrew, C. Barnes, G. Fairchild, R. Gillette, D. Spencer, T. Jackson

Last years boys' track team came up with an impressive 6-7 record after losing some of Coach McEvoy's "Big Guns".

In the sectionals with only six runners competing, the boys placed seventh and had two first places. They were, Larry Fraser in the pole vault (for the third year in a row) also Scott Larsen in the discus with a toss of 120' 6".

Seniors that McEvoy will lose for the 1979 schedule are John Carroll, Randy Gillette, Larry Fraser, Scott Larsen, Rick McAndrew, Dave Spencer, and Larry Stopfel.

The wrestlers began their season with a 2-5 record, but are getting everything together for possibly a great finish.

A-A has one of the most outstanding wrestlers in the country, Mark Mix. He will be defending his county title, along with attempting to go far in the Sectionals.

Along with Mix, there are many other fine wrestlers, Gary Porter, Rick Abbey, Jeff Vanderwood and many others.

Seniors who will be leaving the squad next year are Gary Porter and Jeff Vanderwood. With so few leaving, it looks very good for the 79-80 season.

M. Feenaughty, J. Comes, C. Robinson, D. Sass, M. Spencer, M. Mix, J. Grantier, G. Porter, B. Brown, B. Porter, D. Horton, S. Robinson, J. Flint, G. Sich, P. Drumm, J. Briggs, B. Davis.

The swimmers are enjoying what could be their finest season ever. Along with being undefeated half-way through the season, Coach O'Brien is looking forward to maybe winning a Sectional title.

The team was quite excited about the win over Bath earlier in the season. Bath had had a four and a half year winning streak before hosting A-A.

Seniors who will be missed include Scott Fosegan, Greg Fairchild, Mike Hackett, Kim Rase and Shelly Aldrich.

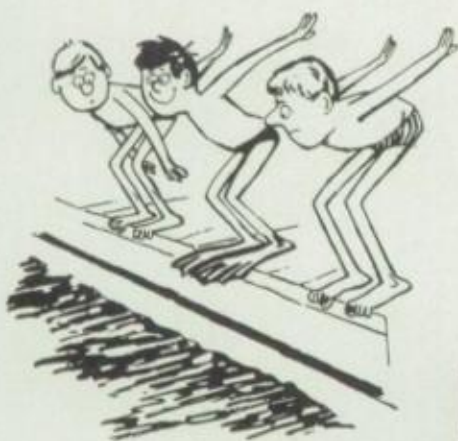

Congratulations to the entire team for a very fine season.
